

*“Understanding  
the difference  
between Assisted  
Living and  
Memory Care”*

**Wednesday, October 11th at 6:00 P.M.**

Dr. Gary Figiel, the medical director of the community is a member of the American Board of Psychiatry and Neurology. He has spent over twenty years treating geriatric patients and is specially trained in the early diagnosis and management of memory disorders including Alzheimer’s disease, depression and frontal lobe dementia.

Please join us as he shares helpful information and tips on understanding the difference between assisted living and memory care.
